

# Stolen Equipment Alert

## Tulsa Equipment Rental Fraud

An NER and American Rental Association member rental company was victimized by an individual claiming to work for a major contractor, who rented the below described machine on the company's account in November. The theft was not discovered until the billing cycled with the contractor, who confirmed the renter was not an employee.

Offender description- Middle aged white male, average height, stocky build, possibly short cropped beard.

Other rental companies and dealers who may have been victimized by this subject should contact NER to be put in communication with Law Enforcement investigating this crime.
