Law Enforcement should be mindful that counterfeit PIN plates and other devices are commonly used to obscure machine identification. Contact **NICB** for equipment identification assistance and access to NER's databases- **800-447-6282**. NER encourages Law Enforcement to verify machine status with the owner- NCIC cannot confirm a machine IS NOT STOLEN.

*REPORT SUSPICIOUS AFTER HOURS ACTIVITY AT EQUIPMENT YARDS or JOBSITES TO LAW ENFORCEMENT- someone potentially observed this machine being removed or may see it being transported. If you see something that does not add up, contact Law Enforcement immediately.*
