Law Enforcement should be mindful of counterfeit PIN plates and other devices used to obscure machine identification. NCIC cannot verify equipment is NOT stolen- verify status with owners. To locate an owner, and for identification assistance and access to NER's databases, contact NICB:

800-447-6282

Industry personnel with information on the theft, the renter or machine whereabouts: contact law enforcement with the above Report Number and Agency information, or contact NER for assistance.

Rental Operators must take precautions when renting to individuals who provide incomplete or irregular contact and address information, or use non standard identification. Require local references, and take steps before the rental to insure you can locate your property.

To report thefts to NER reply to this message with theft details, call NER at 866-663-7872 option 2, or submit a theft online at http://nerusa.com/submit_theft.asp. See more theft advisories at www.stopequipmenttheft.com
